for being replaced
~~replace~~ his services, at the disposal of the Govt. of India, if it is accepted, will perhaps be that he will be retired from such date as the Govt of India will accept to take him back to Br. Service. Lt-Col. Jones in his present letter states that he wishes at once so that his "unemployed pay may be debited to British Revenues and not against myne." It is not clear if this is feasible and whether the Govt of India, will accept the proposal to take back Col. Jones to Br. Service with retrospective effect from 1st Sept or 1st Oct and whether they will not point out that the privilege leave allowances of Col. Jones should be paid by the Dunbar as the leave which he is now enjoying accrued to him while in the employ of the Dunbar. This is unlikely.

A draft letter to the Residency is, however, put up on the lines indicated by Col. Jones and is subd for orders

in the service of the Bombay, it is rather unlikely, that the Brit. Govt would be willing to give retrospective effect to the revision of Col. Jones to the British service, as in such a case the unemployed pay of the officer would be debitable to British revenues with no financial justification. The only point for consideration in these circumstances is to request the Residency to move the Govt of India for obtaining Sanction to the revision of Col Jones to Brit. service with effect from the date of appointment of Col. A.A. Jones, his brother, on the service of the Bombay.

Dear Mr Maudu Rao

[I find that my sisters health is not sufficiently good for me to return to India.

I have therefore written to His Highness explaining the matter and now write to ask you to kindly arrange for my services being replaced at disposal of the Govt of India.

If possible from the 1st Septr or at any rate from the 1st Oct:]

The reason I write at once is so that my unemployed pay

may be debited agst British
Revenues & not-against Mysore

Also because I do not like to avail
myself of His generous sanction
& leave. full pay for the next 2 months
because I find that he has also
sanctioned pay & my younger
brothers & I do not think it fair
that Mysore sh. pay 2 salaries
for one appointment to one family.

The Comptr. has made some
arrangts for paying my pay through
Coutts & Co

There will now require some
modification till you hear from

Kindly let us know the date from which you are able to transfer my services so that he may send me a last Pay Certificate & enable me to draw my future pay without trouble.

I hope you have had more rain & the crop prospects are brighter

England is very cold just now

With kind regards.

Yours sincerely

2 It will be seen that Col Jones's leave extends beyond 24th March 1913 the date up to which his services are lent to the State. There is therefore no chance of the Durbar being able to utilize his services any longer. Col Jones who is now in England has also represented that it is not possible for him to return to India and he has requested that his services may be replaced at the disposal of the Govt of India from 1st Sept 1912 or at any rate from 1st October (vide extract from letter enclosed).
